

FOR IMMEDIATE RELEASE:

Holiday House Hosts Benefit for US War Dogs Association

Doylestown, PA—On Sunday, June 12th, Holiday House Pet Resort hosted an enthusiastic crowd of dog-lovers at a fun party to benefit the brave men, women, and dogs who serve our nation with honor. All of the proceeds from the event will be used to provide military dogs and their handlers with crucial equipment and supplies to keep them safe and healthy throughout their tours of duty.

Attendees enjoyed an afternoon filled to the brim with games and activities, including patriotic pedicures for the pups and a “smooch the pooch” kissing booth, among many other attractions. Guests also enjoyed a little friendly competition by participating in a silent auction, showing their support by bidding on tempting items and services generously provided by The Gourmet Puppy, Life on the Leash, The Bagel Barrel, Action Personal Training, and Central Bucks YMCA.

A photographer was on hand to provide all of the day’s guests with patriotic portraits of their pooches, and all the guests enjoyed refreshments courtesy of The Gourmet Puppy, Life on the Leash, Eagles Peak Spring Water, and Jim’s Soft Pretzels of Doylestown .

Over \$1200 was raised for the United States War Dogs Association by Sunday’s event – and that number continues to grow as donations continue to be collected through Wednesday, June 15th. Anyone who could not join the festivities but would still like to donate a care package for the troops is encouraged to stop by the front office at Holiday House, or to visit the Holiday House website or call for more information on last-minute donations.

Sunday’s event was not only great fun, but was also one of the Resort’s most successful fundraisers to date thanks to the enthusiasm and generosity of the community. Holiday House would like to extend its heartfelt thanks to all who attended and donated to this great cause.
