

# THE DO'S AND DON'TS OF DOG TRAINING

**POSITIVE  
PET TRAINING**

## DO

Use reward based training methods utilising either treats or toys, making the training fun and enjoyable.

## DO

Use comfortable, dog friendly equipment so that the dog feels relaxed and happy

## DO

Take your time and be patient.

## DO

Keep sessions short (15 minutes max.)

## DO

Practice in your home and garden first, before trying commands in public areas.

## DO

Keep commands clear and consistent

## DO

Try to finish on a high note - your dog is more likely to want to train again next time!

## DON'T

Shout or physically punish them - it will make them scared of you and may cause them to become aggressive

## DON'T

Use methods or equipment that is uncomfortable, painful or forceful, scary or intimidating for your dog

## DON'T

Expect too much too soon

## DON'T

Let your dog get bored - stop immediately if you see this happening

## DON'T

Chase them when you want them to come - they'll think it is a great game and will run away even more

## DON'T

Expect them to understand a command until you have taught them what it means

## DON'T

Tell them off if they gets it wrong
